

MGI LUXURY GROUP S. A.

MGI Luxury Group, located in Bienne, Switzerland, is an international and innovative company of Movado Group, Inc. which is a prestigious manufacturer and marketer of luxury and fashion timepieces under the Movado, Concord, Ebel, Coach, Tommy Hilfiger, Juicy Couture, Lacoste, Hugo Boss and Scuderia Ferrari brands.

To guide the teams of "Finish Goods", "Components" and "Shipping & Receiving" departments, we are offering a position of

Manager Warehousing

who will ensure full and independent execution of operational tasks taking care by the above-mentioned departments. In this function you will work closely with internal as well as external partners.

Following responsibilities will be under your responsibility:

- Follow-up of daily business and activities in close collaboration with the team.
- Review and adapt processes whenever necessary.
- Promote a common vision and teamwork in the teams.
- Develop team competencies and challenge departments organization to get optimal efficiency
- Follow-up various projects
- Provide appropriate training and support to the teams (SAP, MS Office, others)
- Contribute and support the Baser Fair logistics
- Support Known Consignor Program at Factory 1
- Coordinate the purchasing of packaging material (boxes, guarantee cards, others) and non-productive material (packing material)
- Support "Friends & Family Sales" and organize and plan team activities accordingly

Skills and experience

To be successful in this position, you have already several years of experience in a same position and are familiar with EU Import and Export regulations.

You are fluent in French, German and English with solid computer literacy including SAP, BI and warehouse management systems.

You are a **proactive** and **reliable** person **committed** to keeping deadlines and **solving problems**. You have **strong analytical skills** and work in a structured way. You are also a good **team player** with **strong communication skills** and **customer focus**. Moreover, you are familiar with **process flows** and **project planning** and you demonstrate excellent **negotiation skills**.

If working in a multicultural and dynamic company, being in touch with fascinating products and a very motivated team and if your skill set matches our description, then we would like to hear from you.
